Tri-Church Intergenerational Family Event- Supper & Stargazing

In honor of the Star of Bethlehem, we hope to bring families and individuals from Woodfords, State Street, and Williston-Immanuel together for stargazing and a light outdoor supper. (The Geminid meteor shower will be taking place.) We are still searching for a location that has dark skies and will permit good stargazing. If you've got a back yard that fits the bill, please let Rev. Alyssa know. If we can't find a suitable location, we will reschedule this event for some other year. Keep an eye on the e-news for updates.
